5. Section 6 - DECLARATION OF CRIMINAL BACKGROUND INFORMATION

The Rehabilitation of Offenders Act 1974 sets out to help people who have been convicted of a criminal offence and have not been convicted again within a specified period. This period is known as a rehabilitation period. Once a rehabilitation period has expired and no further offending has taken place, a conviction is considered to be 'spent'. Once a conviction is spent, the convicted person does not have to reveal it or admit its existence in most circumstances.

The Rehabilitation of Offenders Act 1974 (Exceptions Order) gives some exemptions from the Act, whereby details of 'spent' convictions must be declared. One of these exemptions is working with children, young people (i.e. under 18 years of age) and/or vulnerable adults. When recruiting people to work in such positions of trust an employer is entitled to ask for details of all convictions, spent and unspent.

6. Section 9 - DISCLOSURE AND BARRING SERVICE CHECK

The post for which you are applying will bring you into direct contact with children, young people and/or vulnerable adults.

During our recruitment procedure we take steps to assess an applicant's suitability for such a position of trust. It is important that you understand the nature of the checks that we will make, and when we will make them.

If after the interview you are made a conditional offer of employment, you will be required to co-operate with YMCA Exeter in completing an application for a higher-level disclosure statement from the Disclosure and Barring Service. This disclosure service offers organisations a means to check the background of job applicants to ensure that they do not have a history that would make them unsuitable for the post. Disclosure statements are provided by the Disclosure and Barring Service, an executive agency of the Home Office.

Higher level disclosure statements provide details of a person's criminal record including convictions, cautions, reprimands and warnings; they also contain details from lists held by Government departments of those considered unsuitable for his type of work.

7. EQUALITY AND DIVERSITY QUESTIONNAIRE

Included as a separate document is an Equality and Diversity Monitoring Form. This form is not compulsory; however we would appreciate for you to take the time to complete this form to help us monitor our effectiveness in upholding the principles of equality and diversity to which we are committed. This form is anonymous and will be separated from your application in advance of any assessment being commenced. Should you not wish to complete this form, your application will not be prejudiced in any way.

Job Description Young People's Community Connector

1. EMPLOYER: YMCA EXETER COMMUNITY PROJECTS

39/41 St David's Hill

Exeter EX4 4DA

Tel. 01392 410530

2. JOB TITLE: Young People's Community Connector

3. RESPONSIBLE TO: Community Projects Manager

4. Overview of Role: Wellbeing Exeter offers a range of community-based options to individuals, who can access what they consider is important to maintain health and wellbeing, reducing the need for statutory care services now and into the future.

YMCA Exeter is one of a group of voluntary organisations providing the Community Connector role for Wellbeing Exeter. This involves staff from GP practices making referrals to the Wellbeing Exeter Single Point of Referral (co-ordinated by Colab) for people who they think could benefit from the support available in the community and voluntary sector.

Referrals are allocated to Community Connectors who meet with the person and talk with them about their life, interests and the barriers they face. It is the Community Connector's role to understand what matters to a person and then to work alongside them to build on their interests, to help them find out what's out there that can help them and what might enrich their life. For example it might be about introducing people to social or exercise groups or activities or about helping people to access information, services and advice.

The Wellbeing Exeter programme is available to people aged 18 and over who are patients of Exeter GP practices, as well as being available to high school age young people through connected youth agencies.

5. ORGANISATIONAL CONTEXT

The YMCA Exeter Group is a non-contractual grouping of three charitable organisations with a common Mission: "To work together with those we serve, particularly young people, demonstrating Christ's love through practical service so that people and communities can flourish". The member organisations of the YMCA Exeter Group are:

- YMCA Exeter Housing – providing safe and supported accommodation (currently 90 homes), for homeless and vulnerably housed young people in and around Exeter;
- YMCA Exeter Community Projects – delivering a range of projects to serve vulnerable and disadvantaged people in the local community across Exeter, East and Mid Devon. Current projects

include Mental Health & Wellbeing support, work with Offenders, Youth and Schools' projects, therapeutic horticulture and our Ten:10 internship programme;

- YMCA Centres (South Molton) – Set up in 2015 to own and manage the former DCC Youth Centre in South Molton, now a centre serving the whole community;

These charitable organisations have formed the YMCA Exeter Group, sharing leadership, central services (finance and administration), and premises in order to achieve greater effectiveness and efficiency in YMCA operations across the northern half of Devon. The post holder will work alongside 3 other young people's community connectors and will be a member of the Community Projects team.

In all that the YMCA Exeter Group does, we seek to serve our service users, partner agencies and the general public in a way that practically demonstrates our clear Christian ethos, as set out in our Ethos Statement.
